**Term 1 Week 4**  
**20th February 2020**

Dear Parents/Caregivers,

### **Welcome to Week 4!**

Another week has flown by and it is pleasing to see all students giving their best effort in all learning activities. Since the beginning of the term, the CPS teachers have put in many long hours before and after school, completing parent meetings, running information sessions and attending professional development and training and I would like to acknowledge the time, energy and effort they continue to give. We are privileged to have such dedicated staff, who work so hard to provide the very best education to every child in our school.

### **Swimming Carnival**

The highlight of last week was our annual School Swimming Carnival which was held on Thursday. The weather was perfect and it was wonderful to see such strong House spirit. Congratulations to our House Captains – Elora Blackmore (Brigalow), Aiden Gaffney (Myall), Paige Muddle (Wandoo) and Kiana Murray (Kurrajong) who led their Houses in some rousing war cries and cheered all day long! Throughout the day, students participated in both competitive races and novelty events, ensuring there was a balance of fun and competition for all! A huge thank you must go out to Mr Greg Garlick for his outstanding organisation and to all the staff, parents and family members who worked hard to make the carnival such a success. Thanks also to Mr Kerry Lynch and his staff at the Cowra Aquatic Centre who did such a wonderful job in getting the pool ready for the day. The District team has been finalised and we wish the 27 CPS students heading to the District Carnival at Cowra next Thursday 27th February, the best of luck!

### **Learning Support Plans (LSP's), Personalised Learning Pathways (PLP's) and Individual Education Plan**

This afternoon all teachers will be holding Learning Support Plan (LSP), Personalised Learning Pathway (PLP) and Individual Education Plan (IEP) meetings with students and parents. Thank you to all families who have indicated their availability to discuss their child's learning goals with staff. It is vitally important that students attend these meetings as well, and we look forward to working together to help your child achieve their goals in 2020. Children not requiring a LSP or PLP will have an opportunity to meet with their parent and teacher in a fortnight's time on Thursday 5th March. Thank you again to the teachers for their time and effort in preparing and hosting these

### **New Students and Families “Welcome to CPS Morning Tea”**

On Wednesday, we held a special morning tea to welcome all of our new students in Year 1-6, and their families to Cowra Public School! Our new students were asked to invite a ‘new’ friend from their class along, and everyone had a great time completing some quizzes about CPS and enjoyed a delicious morning tea spread. Thank you to our new families for coming along!

### **Staffing Update**

As was announced in last week’s newsletter, Mrs Tess Hopson has been successful in being selected for the “High Impact School Leadership” Program for 2020. As part of this program, Mrs Hopson will be required to attend numerous professional learning days and will need substantial time outside of the classroom to work with other teachers in the school throughout the year. As of next week, Miss Fabienne Storr will take on the position as Barrandhang Stage 2 classroom teacher and Mr Chief Vogel will relieve as the Stage 2 Assistant Principal, allowing Mrs Hopson to concentrate fully on the ‘High Impact School Leadership’ program for the remainder of the year. This change will take place from next **Monday 24th February**.

### **Welcome Miss Malcolm**

This week we welcome Miss Annabel Malcolm from Charles Sturt University. Miss Malcolm will be completing her teaching practicum over the next few weeks with Mrs White and the lucky students in Bugbug!

### **Spotlight on...GULAMBALI!**

Each week in our Newsletters, we will be shining the spotlight on a particular class in the school. This week we would like to share some of the amazing work from the Stage 1 students in Mrs Duncan’s class, Gulambali!

### **Parent Helpers**

Staff are very grateful to the large number of parents who offer their time to come up to the school and help out...whether that be working in the canteen, assisting as a reading helper or offering to help with supervision on excursions. Just a reminder that once entering school premises, all helpers are required to sign in at the front office in the visitor’s book and collect a visitor’s badge before heading to the classrooms. This enables us to account for all people on site in the event of an emergency evacuation.

We also require all helpers to read the “CPS Parent Helper and Volunteer Guidelines” and sign a confidentiality agreement to ensure the privacy of all our students. In addition, all helpers will need to complete an Appendix 5 declaration and provide 100 points of identification (driver’s licence, Medicare card). Mrs Williams, Mrs Rowston and Mrs Taylor are available to assist parent helpers with completing this paperwork. These processes are a part of our Health and Safety requirements and we thank all helpers for their cooperation and support.

### **School Photos**

Next Tuesday 25th February is school photo day. All students are to come dressed in their full school uniform – no sports uniform please! If your child has PE on Tuesday, activities will be planned which will not require a sports uniform to be worn on this day. Thank you for your cooperation.

### **Assemblies**

Assemblies are on tomorrow! Primary will run from 12:10pm-1:00pm and Ms Beecher’s class; Gadi will be presenting an item. Infants’ assembly will run from 2:25pm-3:10pm and we look forward to seeing a performance from Miss Van Ballekom’s class; Dhundhu. Hope to see you there!

Have a great week...

## School Photos

School photos will be taken on Tuesday, 25th February 2020.

Photos will be done in class groups and the students are asked to be in full summer uniform on the day.

If you do not wish your child's photo to be taken please advise their classroom teacher.

Family photo envelopes are available from the office.

Attached to the newsletter is information from Creative School Portraits regarding the ordering of photos.

## Cowra Information and Neighbourhood Centre

### Cowra Public School Visit

Last Friday, Miss Noal and her Guguburra class went over to the Cowra Information and Neighbourhood Centre to do a special performance for our community. The students sang 'The Watermelon' song and thoroughly entertained their audience with beautiful singing and perfectly choreographed hand actions.

At the conclusion of their performance all students were treated to a lovely morning tea of yes, you guessed it, watermelon!! Plus a mixture of sweet and savoury goodies. We would like to thank CINC staff, especially Fran and Marion for their fantastic hospitality.

Our next performance at CINC will be Friday, Week 5 beginning at 10.30am.

Stay tuned to find out what class will be performing.

# Stage 1 Class Gulambali

Gulambali and Mrs Duncan have hit the ground running in 2020!

Our class have spent the last few weeks getting to know each other by learning, talking, singing, dancing and playing together.

We are so looking forward to the year ahead and can't wait to see what 2020 holds for our class of little Pelicans!  
( Gulambali means pelican in Wiradjuri language)

**COWRA HEALTH COUNCIL NEEDS YOUR HELP**

The Cowra Health Council is a group of local volunteers who are the link between the Health Service and the community to advance health matters.

As you are probably aware, the NSW Government has committed to a redevelopment of the Cowra Hospital and we believe it is important that planning for this project reflects the current and future needs of our community.

As a starting point, we have developed a survey for the public to have their say and were hoping you might be able to distribute and promote the survey through your organization. (Additional surveys can be obtained from the Cowra Hospital or Cowra Shire Council).

Alternatively, the survey can be completed on line through the Western NSW Local Health District facebook page, **or enter this address into your web browser**

Or, speak to a member of the Health Council.

We are aiming to collect as many surveys as possible across a broad range of the community **by 15<sup>th</sup> April 2020**. There will be further opportunities to have input into the project but we see this as an early chance and encourage everyone to participate.

## COMMUNITY SURVEY QUESTIONNAIRE COWRA HOSPITAL RE-DEVELOPMENT

Thank you for agreeing to complete this survey.

You may have heard that the NSW Government has committed to redeveloping the Cowra Hospital. It is important that planning for this project reflects the current and future needs of our community. This project is in its very early stages. Over the planning phase there will be many opportunities for the community to have a say, and to learn about progress. As a starting point, the Cowra Health Council is undertaking this survey, and will provide the results to the planning team. To learn more about what goes into the process of planning and building a hospital, go to Health Infrastructure's website [www.hinfra.health.nsw.gov.au](http://www.hinfra.health.nsw.gov.au)

The Cowra Health Council is a local group that works with the Cowra Health Service and the Western NSW Local Health District to represent the needs of the community.

## IMPORTANT INFORMATION FOR PRIVACY AND CUSTODY ISSUES

At CSP we feel that that privacy/permission to publish photographs and access to photos for separated families is an important issue and one that we wish to address correctly.

Could you please notify us when providing data, if there are any students that have restrictions in place preventing their photos being ordered by specific parents.

We don't need to know all details - just the name of the student and what restrictions are in place for example: Tom Smith 4G - Dad (Tim Smith) is not to order photos.

We receive emails or phone calls from parents requesting 'lost' shoot keys, if we are made aware of a restriction we can prevent this information from being given out.

Similarly, if students do not have permission for photographs to be published, then they cannot appear in the group photo – which goes home as part of the photo package. We need to remove them, or list as absent or just delete from the group.

Thank you for your co-operation in this matter.

Regards

Cliff and Kay Dykes
